

## **Monster Anatomy – Lower Limb, Terms of Use :**

I understand that to the fullest extent allowed by law, the authors, owners, service providers and any of their agents are not responsible for any injury and/or damage to persons or property arising from any use of this product or the material communicated therein.

- I accept responsibility for my use of this Product and will not misuse the Product.

- The information contained in this product are based on current medical knowledge.

- I understand that only registered practitioners who have a license, degree, or are working toward a degree should use this Product.

- This product should not be used as a diagnostic tool or diagnostic aid tool.

- I understand that knowledge, best practices, and standards in this field are constantly changing and there is no guarantee that the practices presented in any part of this Product are the most current or best method for any individual examination.

- I understand that it is the responsibility of the practitioner, relying on his or her own experience and knowledge of the specific patient, to perform a proper examination for each patient, and to take all safety precautions to comply with the proper standard of care.

- The images are from the same subject and do not correspond to the anatomy of all patients, we do not mention the anatomical variants.

- The images are from the right upper / lower limb.
- Images are not all on the same scale and are adapted to the size of the screen.
- I should continually monitor and utilize technology updates or content updates for this Product.
- I understand that every technology can and does have periodic failures and release Provider from liability or damage for any such reasonable failure.
- This product and all associated services are sold “as is” and “with all faults”. The entire risk as to the quality and performance of the product is with the buyer; and if the good proves defective after purchase, the buyer and not the manufacturer, distributor or retailer assumes the entire cost of all necessary servicing or repair.
